

WELLS BLOOMFIELD, LLC

2 Erik Circle
P.O. Box 280
Verdi, Nevada 89439

Revised April 2008

WARRANTY STATEMENT

All commercial cooking equipment manufactured by Wells Manufacturing Company is warranted against defects in materials and workmanship for a period of one year from the date of original installation or 18 months from the date of shipment from our factory, whichever comes first and is for the benefit of the original purchaser only, except that;

- a. with respect to cold/refrigerated products, warranty labor is limited to 90 days after installation. Extended warranty for labor and compressor are available at time of sale. Contact factory sales department for details.

THE FOREGOING OBLIGATION IS EXPRESSLY GIVEN IN LIEU OF ANY OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, WHICH ARE HEREBY EXCLUDED.

WELLS SHALL NOT BE LIABLE FOR INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES OR LOSSES FROM ANY CAUSE WHATSOEVER.

This warranty is void if it is determined that upon inspection by an authorized service agency that the

equipment has been modified, misused, misapplied, improperly installed, or damaged in transit or by fire, flood or act of God. It also does not apply if the serial nameplate has been removed or service is performed by unauthorized personnel. The prices charged by Wells for its products are based upon the limitations in this warranty. Seller's obligation under this warranty is limited to the repair of defects without charge to Wells' factory authorized service agency or one of its sub-agencies. This service will be provided on customer's premises for non-portable models. Portable models (a device with a cord and plug) must be taken or shipped to the closest authorized service agency, transportation charges prepaid for service. In addition to restrictions contained in this warranty, specific limitations are shown in the Service Policy and Procedure Guide. Wells' authorized services agencies are located in principal cities. This warranty is valid in the United States and Canada and void elsewhere. Please consult your classified telephone directory, your foodservice equipment dealer or for information and other details concerning warranty write to:

WELLS SERVICE POLICY AND PROCEDURE GUIDE
ADDITIONAL WARRANTY EXCLUSIONS

- | | |
|---|--|
| <p>1. Resetting the safety thermostats, circuit breakers, overload protector or fuse replacements unless warranted conditions are the cause.</p> <p>2. All problems due to operation at voltages other than specified on equipment nameplates – conversion to correct voltage and phase are the customer’s responsibility.</p> <p>3. All problems due to electrical connections not made in accordance with electrical code requirements and wiring diagrams supplied with the equipment.</p> <p>4. Calibration of heat controls after the first sixty (60) days on original components. Replacement of items subject to normal wear to include such items as: knobs, light bulbs, baskets, grids, mechanical timers and thermocouples. Normal maintenance functions including lubrication, adjustments of airflow, thermostats, door mechanisms, microswitches, burners and pilot burners and replacement of fuses and indicating lights are not covered by warranty.</p> <p>5. All fry pot welded in the field.</p> <p>6. Deterioration of aluminum vessels due to insertion of food product or use of abrasive cleaners not covered by warranty.</p> <p>7. Full use, care and maintenance instructions are supplied with each machine. Those miscellaneous adjustments noted are customer responsibility. Proper attention will prolong the life of the machine.</p> | <p>8. Travel mileage is limited to sixty (60) miles from an Authorized Service Agency or one of its sub-agencies.</p> <p>9. All labor shall be performed during regular working hours. Overtime premium will be charged to the buyer.</p> <p>10. All genuine Wells replacement parts are warranted for ninety (90) days from the date of purchase on non-warranty equipment. This parts warranty is limited only to replacement of the defective part. Any use of non-genuine Wells parts completely voids any warranty.</p> <p>11. Installation, labor and job checkouts are <u>not</u> considered warranty.</p> <p>12. Charges incurred by delays, waiting time or operating restrictions that hinder the service technicians’ ability to perform service are not covered by warranty. This includes institutional and correctional facilities.</p> <p>13. With respect to Ventless Cooking systems, warranty is void if:</p> <p>a. Fire Suppression system is not installed by a qualified installer.</p> <p>b. Operational problem due to lack of a Preventative Maintenance Program, i.e.: changing filters, cleaning of pressure switches, etc.</p> |
